A Letter to my Special Child!

"... He who has begun a good work in you will complete it until the day of Jesus Christ" (Philippians 1:6 KJV).

How to send a note to your sponsored child:

1. Use this form to write a short note to your sponsored child. Remember your child's age as you write. (Copy the form if you sponsor more than one child.)

2. Place your note in the enclosed envelope along with this month's sponsorship form and your gift, and drop it in the mail today.

3. We will have your note translated, and the translation will be placed on the back side of the form. Then the note will be delivered to your sponsored child at school.

4. If you would like to enclose a picture of your family, we know your child will enjoy it … and it will also serve as a prayer reminder for your child. **Please make sure to write your child's name and ID number as well as your name and ID number on the back of the photo in case it gets separated from your letter.**

Thanks for sending this personal message of love to your sponsored child!
